ORDER:

In the reference read above, the Commissioner, Greater Hyderabad Municipal Corporation has informed that a demolition drive of unauthorized constructions in massive way in Sardarpatale Nagar of Kukatpally Circle on 29th and 30th of August 2011. During the course of demolition several building owners have approached with a plea that they got their buildings regularized under BPS and shown the copies of regularized plans but they were reluctant to submit the same. All the buildings were constructed clearly after closure of Building Penalization Scheme and this has been evidenced with the Photographs taken under OSRT in the starting of this year. Hence they are not eligible for regularization under BPS. The copies of BPS Proceeding shown by the builders with the listed BPS Numbers (enclosed copy) are verified with the original data base and found that they are not tallying with the original names of the applicants and the location of the buildings. It clearly shows that a lot of bogus BPS approvals without any records in their office in circulation, and they are unable to know whether any Greater Hyderabad Municipal Corporation staff have signed on the approvals or forged documents are in circulation.

2. The Commissioner, Greater Hyderabad Municipal Corporation has requested to entrust the case to the General Administration (Vigilance & Enforcement) Department, Government of Andhra Pradesh, Hyderabad for detailed enquiry to find out the role of officials, builders and individuals and take action as per rules.
